MILITARY POLICE REGIMENTAL ASSOCIATION

BECOME A MEMBER

MISSION

A professional organization dedicated to promote the pride, heritage and history of the Regiment and to support the future for members, family and friends of the Military Police Corps.

VISION

To become the premier organization that promotes the image, heritage and traditions of the MP Corps through aggressive communication of the Associations Organizational tenets.

VALUES

Mutual Respect | Pride in Heritage | Responsible Service | Always Relevant

www.MPRAOnline.org

WELCOME LETTER

Welcome to the 72nd annual Military Police Regimental Association Expo hosted by the Military Police Regimental Association (MPRA) at Fort Leonard Wood, MO. This event is open to all Active Duty, Reserve, National Guard, retired military, and civilian personnel affiliated with the Military Police Corps Regiment and Fort Leonard Wood. We are extremely proud of those who have served our nation in the past, present and those who will serve in the future.

Fort Leonard Wood has been a vital part of the Missouri community since 1941. The soldiers, civilians, and family members from the installation continue to be major contributor to businesses and the economy of the state. The Expo provides an excellent opportunity for businesses to showcase their products and services to the Military Police Soldiers, senior leaders and key decision makers. As an added benefit, this year the Capabilities Development and Integration Directorate (CDID) is hosting a one-day seminar and one-on-one meetings with industry to layout the future requirements for the Military Police Corps Regiment. All attendees will gain a greater understanding of the needs and direction of the regiment.

The MPRA is a non-profit association that exists to provide a variety of services and assistance to the Military Police Soldiers and their families around the world. Over the past few years the MPRA with support of its members has contributed over \$500,000 for museum upgrades, Regimental Grove improvements awarded 100 college scholarships to MPRA family members, and provided \$80,000 in grants to Military Police Soldiers and their families. This is all possible because of our individual and corporate members. For information about becoming a member please visit www.mpraonline.org.

We would like to personally thank you for your participation and support in the 72nd annual Military Police Regimental Association Expo.

Rick Harne
Executive Director
Military Police Regimental Association

We know your password™

ElcomSoft Co. Ltd. helps its customers unlock valuable information protected with lost and forgotten passwords. We offer a range of consumer and enterprise-grade tools allowing its customers to gain information to password-protected documents, archives, locked-out accounts and mobile devices (Apple iOS and BlackBerry).

ElcomSoft pioneered many password recovery technologies and already has five US patents granted which include GPU acceleration and Thunder Tables® technology for guaranteed recovery of password-protected documents.

ElcomSoft products have become de-facto industry-standard, are studied in training sessions, and are covered in textbooks. Our products are part of the Certified Ethical Hacker initiative, a program that certifies the skills of security officers and consultants, auditors, site administrators, and professionals concerned about information security.
